*Just read your article. Fantastic!!! Thanks so much for
writing these articles. They are awesome and have
certainly helped spread the word (re The Revenant race.)*

Scott Worthington, Race Director

*I just wanted to let you know how
impressed I was by your writing...it
was a really cool read. I think that
even if the story wasn't about us I'd
still really enjoy it. There's a nice
arc to the narrative and you seem
to pace it perfectly.*

Stephen Counsell, The Cusp

*"Correction. I don't just like it, I
LOVE what you've written for "My
Southland Story."*

*People have been asking for this
for ages. Fantastic.*
